

WHITECROSS

Scalable marketing and customer engagement tools

Improve your marketing with our suite of tools for campaign and loyalty programme management. Engage customers across multiple channels, enhance targeting, increase visibility, and boost conversions with our customisable and easily integrated solutions.

Customer Connect

Increase your visibility across a variety of channels with Customer Connect, our tool that integrates with market-leading CRM, bulk email, and live chat solutions for a unified customer engagement approach.

Marketeer

With dynamic campaign management features that streamline your conversion and retention flows, Marketeer makes it even easier to engage and target the right customers at the right times.

Rewards

Manage your customer loyalty programmes, define and target specific segments, or cross-sell products to boost conversions with flexible options like time-limited, repeatable, or previously purchased offers.

Transform your customer engagement

Discover how our marketing solutions can be tailored to fit your unique business needs.
